

Dear(s),

We are looking for companies that are interested to expand their business and increase their income. All you need to do is to read this letter and see if the idea fits with your objectives.

We would like to offer you the opportunity of distributing our high quality and performance lines of pet products, with very competitive prices as follows:

MEGAMAZON – A complete special line that brings the exoticness of the Amazon Forest to your pet. It is made with 100% natural extracts from Amazonian fruits and seeds, protecting the trees, source of the ingredients, and helping to preserve the forest.

PET SOCIETY – A unique, high quality and performance grooming and health products line, specially developed to provide economy and efficacy to veterinarians and groomers. Innovative products that bring clever solutions to daily basis problems and allow to offer new and profitable services to customers.

Now I will present the company responsible for the production of these groundbreaking lines that certainly will make a difference in the market.

Cosmotec is 22 years old and has an income of US\$ 30 million a year. With vast and high expertise in the cosmetic business, Cosmotec is responsible for supplying ingredients and formulations to companies like: Avon, L'oreal, Johnson & Johnson, BDF Nivea, among others.

The company owns 2 sites in Sao Paulo State, with a total constructed area of 10.600 m² and the factory is equipped with 6 stainless steel reactors for the production of the pet lines.

Since 1999 we are ISO 9001:2000 certified by DQS-Germany and we follow all the GMP (Good Manufacturing Practices) and FIFO (First-In First-Out) premisses.

With more than 100 employees, we have been prized as one of the best companies to work for, two years in a row (2007/8 and 2008/9), by the Great Place to Work Institute.

Since 2006, the Pet Society products are regularly exported to the following countries: USA, Germany, Portugal, Israel, Australia, Luxembourg, Ukraine, Russia, Netherlands and others.

Our wish is to expand even more and for the next two years 2009-10 we will be exhibiting at the following International Pet Industry Tradeshows: Global Pet Expo (USA), Intergroom (USA), Zoomark (ITA), Pet South America (BRA), Superzoo (USA) and others according to the development of business.

Our concentrated and high performance shampoos prices start at US\$ 1,40 FOB Brazil, request for samples that I will be more than glad to send you some for testing and evaluation.

We are looking for distributors and all we offer is an opportunity to increase your business and we would appreciate if you could reply this letter, according to your convenience, at my direct contacts as follows: leandro.teixeira@petsociety.net or +55 (11) 2027-1125.

Thank you for your precious time! Hope to receive news from you soon.

My best regards,
